

RSL & SERVICES CLUBS

INVITATION TO REGIONAL FORUMS

Each year, the RSL & Services Clubs Association CEO travels the state to meet with member clubs and potential new members at local Regional Forums so the Association is able to discuss current club news, be informed of your issues and be aware of the great work of RSL and Services Clubs in local communities across NSW.

The Association conducts 2-3 Regional Forums in each region across NSW for Club Directors and senior management of RSL and Ex-Services Clubs.

REASONS WHY YOU SHOULD ATTEND YOUR LOCAL REGIONAL FORUM

- 1. NETWORKING:** Opportunity to meet with Directors and Management of other RSL & Services Clubs in your area to share experiences, discuss common issues and learn about future opportunities
- 2. INFORMATION:** Learn about current issues in the Club industry and RSL sector which could impact on your Club
- 3. NEW IDEAS:** Hear from some of the Club industry's experts about new trends and strategies to improve your Club's business
- 4. ASSOCIATION ACTIVITIES:** Discuss the work of the RSL & Services Clubs Association and how its activities, services and programs can be of benefit to your Club

As a valued member of the Association, these Regional Forums enable your Club Directors and senior management to inform the Association of your challenges and issues impacting on your Club and to discuss how to manage them moving forward.

PLEASE ENSURE THAT YOUR CLUB IS REPRESENTED AT EVERY REGIONAL FORUM IN YOUR AREA TO MAXIMISE THE BENEFITS OF YOUR MEMBERSHIP OF THE RSL & SERVICES CLUBS ASSOCIATION!
