

RSL & SERVICES CLUBS ASSOCIATION

INVITATION TO REGIONAL FORUM

ILLAWARRA/SHOALHAVEN/SOUTH COAST REGIONAL FORUM

WEDNESDAY 17TH MARCH | 11.00AM - 12.30PM VIA 

Each year, the RSL & Services Clubs Association CEO would travel the state to meet with member clubs and potential new members at local Regional Forums, so the Association is able to discuss current club news, be informed of your issues and be aware of the great work of RSL and Services Clubs in local communities across NSW.

However, COVID has impacted the Associations in-person meetings which we would normally conduct in each region across NSW for Club Directors and senior management of RSL and Ex-Services Clubs.

This year we will be conducting most of our Regional Forums via ZOOM unless we have indicated otherwise.

REASONS WHY YOU SHOULD ATTEND YOUR LOCAL REGIONAL FORUM

- 1. NETWORKING:** Opportunity to meet with Directors and Management of other RSL & Services Clubs in your area to share experiences, discuss common issues and learn about future opportunities.
- 2. INFORMATION:** Learn about current issues in the Club industry and RSL sector which could impact on your Club.
- 3. NEW IDEAS:** Hear from some of the Club industry's experts about new trends and strategies to improve your Club's business.
- 4. ASSOCIATION ACTIVITIES:** Discuss the work of the RSL & Services Clubs Association and how its activities, services and programs can be of benefit to your Club.

As a valued member of the Association, these Regional Forums enable your Club Directors and senior management to inform the Association of your challenges and issues impacting on your Club and to discuss how to manage them moving forward.

PLEASE ENSURE THAT YOUR CLUB IS REPRESENTED AT EVERY REGIONAL FORUM TO MAXIMISE THE BENEFITS OF YOUR MEMBERSHIP OF THE RSL & SERVICES CLUBS ASSOCIATION!

To attend, please advise Narelle in the Association office of the names and emails of all Directors and senior management participating in the Regional Forum.
